

THE REPUBLICANS OF NORTH CAROLINA.

How the Wake County Chairman Raised Up Enemies.

ATTITUDE OF POPULISTS.

The First Instance of a Child Begging in a Raleigh Church—Regulations Governing the Shipment of Cattle From the State—A Virginian Arrested at Kinston on the Charge of Bigamy—Another Man Found Murdered—Resignation of Volunteer Firemen of Asheville.

Raleigh, N. C., Oct. 30.—A Republican who sits high in the synagogue said today that Dan Young, Republican chairman of Wake county, has raised up some enemies, and not a few of them, by writing a letter urging that J. A. Giles, the Republican, and J. J. Jenkins, the Populist nominees for Congress, both retire in favor of ex-Congressman Strowd, and saying that in such case Congressman Atwater would support Strowd.

It appears also that some of the Republican brethren, and not a few, are saying that United States District Attorney Claude Bernard will not get a reappointment—and yet these brethren are dead sure that McKinley will be elected. It looks like Bernard's name is mud.

Republican County Chairman Young, when asked to-day what he expected his party to do in Wake at the election, said:

"We will poll a very much larger vote for McKinley than we polled in August. We will poll several hundred votes for him of men who voted for the constitutional amendment. We polled 4,500 votes in August. I think we will poll 5,000 for McKinley."

HOW POPULISTS STAND.

Editor Poe, of the Progressive Farmer, was asked to-day how he thought the Populists would vote next month. He replied that in the counties in which "red shirts" flourished and were most numerous a large part of the Populists will vote for McKinley, but that otherwise the number who will so vote is not large. Perhaps 25 per cent. will vote for the Middle-of-the-Road ticket, 15 per cent. for McKinley and 60 per cent. will be divided between Bryan and staying at home.

BEGGING IN CHURCH.

At a church here at Sunday morning's service I saw a queer occurrence. Not long after the service began a white girl, perhaps 10 years of age, came in and took a seat. She was dirty and looked, and on her head was a "poke" bonnet. A minute later an equally dirty boy entered and took his seat beside her. Both of them were evidently the children of people who knew not Sunday and who in no way observed the day. Before the boy had been there a moment he looked up at a gentleman who was standing in rear of him, and holding out his hand, said in a very audible whisper, "Give me 5 cents." It was given, the giver, of course, thinking that the youngster wanted the money to put in the alms basin. In so thinking he was away off for the brat, after a sly look at the money, as if to see that it was all right, made a slide for the door and departed, nor was the frowny little girl long in following him. It was the first case of begging in church ever seen here.

SHIPMENT OF CATTLE.

From November 1st until December 31st, all cattle may be shipped out of this State to Northern markets and pastures as healthy cattle, but the regulations of the State to which they are taken must be complied with. Since there are practically none in Virginia, where most of the cattle will be taken, the local regulation clause in that State has no force. No cattle may be driven from the quarantine portions of Virginia, North Carolina, South Carolina, Georgia or Tennessee across the quarantine line into the exempted or mountain districts of North Carolina, because the local regulations of North Carolina forbid such driving at any time of the year. Northern shipments may not be made on foot through the exempted territory.

CHARGED WITH BIGAMY.

Last week, at Kinston, T. R. Yancey, of Boynton, Va., was married by a magistrate to Mrs. Mattie Moore. Yancey is a tobacco buyer and last year bought tobacco at Clinton. A sensation quickly followed the marriage. Saturday Yancey was arrested on the charge of bigamy. It turns out that he has a wife and two children in Greene county. He claims that he had a divorce from this wife. The case came up to-day. Telegrams were sent to the authorities at Boynton and wife No. 1 was also summoned.

ANOTHER MURDER.

Last Saturday night the body of an unknown negro man was found in the city backstreet near, within the back of the head smashed by repeated blows with a 10-pound sledgehammer. The face was literally beaten into the ground. It was plain that the victim had no resistance.

RESIGNATION OF FIREMEN.

Nearly all the volunteer firemen at Asheville have resigned. They demanded yearly compensation equal to the value of a suit of clothes, but accompanied the demand with a threat of resignation and also their resignations. These the Aldermen instantly accepted and will put in new men.

BREVITIES.

Editor W. S. Pearson, of the Morganton Herald, who is the Eighth District Democratic elector, was so severely hurt by a fall that he was forced to abandon his canvass.

At Fayetteville Thomas Foot, white, was to-day given a ten years' sentence for an attempt to assault Mrs. James Driver, who has since died.

Lewis Council, the negro charged with assaulting Mrs. West in Cumberland county, was to-day brought back to jail here for safe-keeping. Mrs. West is so ill that she could not be present at the trial.

At Mooreboro Sunday John Skinner fell dead in the Methodist Church during the sermon.

FOR A REFORMATORY.

A STATE ORGANIZATION FORMED LAST NIGHT.

Raleigh, N. C., Oct. 30.—A meeting of representatives of the different religious denominations and fraternal orders having organizations in this city,

was held in the office of the State Treasurer last night to organize a State Reformatory Association. The meeting was well attended by persons deeply interested in the movement, and a permanent organization was effected.

Ways and means of interesting the people in the establishment of a reformatory were discussed. The association expects to do its most effective work by impressing upon the public the good results of reformatories in other States, thus arousing public sentiment and interesting the people in the work. The persons present subscribed a neat sum as a beginning to be used in carrying on the work of the society.

The name of the association organized is the "North Carolina Reformatory Association."

The object as officially set forth is "to secure the establishment by law of a reformatory for youthful criminals, of both sexes and all races."

The following officers of the new association were elected: President, A. L. Chamberlain; Secretary, Charles D. Roberts; Treasurer, John F. Follen. An executive committee of nine, all residents of Raleigh, were elected as follows: John T. Pullin, S. W. Whiting, W. H. Worth, John Nichols, L. W. Smith, T. N. Ivey, J. L. Foster, C. H. Poe, and Bayliss Cade.

(Special to Virginian-Pilot.) Wake Forest, N. C., Oct. 29.—Dr. Hatcher, of Richmond, Va., arrived here to-day at 3 a. m. He will conduct a revival for the college this week and part of next. Part of the college exercises will be done away with in order that all students may have the opportunity to attend.

In the scientific department at the State Fair Wake Forest College takes three premiums for having the best displays. Professors Brewer, Lake and Lannan spent the week at their department, showing the people all they wished to know.

Miss Margaret Scott, of Tennessee, after spending a few days with her relatives, left yesterday for Virginia.

Mr. S. Justus Everett, a student at the State University, spent several days here last week with friends.

Mr. S. A. Owens, of Scotland Neck, spent several days here with his brother this week.

Prof. George A. Foote, of Oak Ridge Institute, spent Sunday on the hill. Prof. Foote graduated here last May, and we are glad to hear of his success as an educator.

Prof. B. F. Sledd delivered an address before the newly organized literary club last Thursday afternoon.

All college duties were suspended on last Thursday in order to give all the students a chance to attend the fair.

EDENTON.

THE RAILROAD TAX CASES—PERSONAL AND OTHERWISE.

(Special to Virginian-Pilot.)

Edenton, N. C., Oct. 30.—The hotels are crowded to their utmost capacity with the lawyers, witnesses and others connected with the hearing before Judge Shepherd in the railroad tax cases. Court convened last afternoon at the court-house, with Judge Shepherd on the bench, the railroads being represented by Messrs. Day, Shaw and Price, while the commission's interests are being looked after by Messrs. Cook and Hinsdale. Miss Emmanuel, of Asheville, is acting as official stenographer. Several witnesses were examined last afternoon. Court is in session again this morning. It can't be stated just how long the hearing will last, there being a number of witnesses present. It is sure to last several days.

The painter's brush is being applied to the law offices of Pruden and Pruden and Senator Vann.

Dr. McMullan, of Elizabeth City, was the guest of Dr. J. H. McMullan yesterday.

Mr. Clarence Latham, of Plymouth, passed through Edenton yesterday.

Miss Kate Leary is able to be out again after a week's sickness.

COLORED FAIR TO-DAY.

HON. J. C. L. HARRIS OPENS IT THIS MORNING.

Raleigh, N. C., Oct. 30.—The colored fair opened to-day. Hon. J. C. L. Harris made the opening speech.

The procession formed at the secretary's office at 11 o'clock a. m. on Wilmington street, headed by James H. Jones, chief marshal, and his assistants. They marched down Wilmington street to South, up South street to Fayetteville street to the Capitol, and thence to the fair grounds. The Greensboro Cornet Band led the procession and made music during the fair.

The special and very interesting feature of the parade was the famous and celebrated bicycle rider, Lester McDaniels, of South America, the champion bicycle rider of the world, who will give daily exhibitions of his skill in that art each day of the fair.

The association having fixed the price of admission to their fair at 25 cents, requested the railroad authorities to make a like reduction in the coupons sold. They declined to do so upon the grounds that it would be unduly benefited by those interested in other fairs as discriminating. This makes it necessary for the association to make public the facts, and all those who purchase tickets at 50 cents will be admitted to the fair for two days.

OXFORD.

DEMOCRATIC SPEAKING—JOE BROWN ACQUITTED—PERSONAL.

(Special to Virginian-Pilot.)

Oxford, N. C., Oct. 30.—Hon. Lee S. Overman, elector for the State at large, spoke here yesterday evening on "Colonial Expansion." He was introduced by Hon. A. A. Hicks and was listened to with the deepest interest, and the audience was impressed that this was one of the finest and most convincing arguments of the campaign.

ACQUITTED.

At Wilton on yesterday Joe Brown was tried before three magistrates for the murder of Mark Evans. The defendant was dismissed by the magistrates, the plea being "justifiable homicide." Gen. B. Royster appeared for the defense.

PERSONAL.

Mr. T. R. Southerland is home on a brief visit.

Mrs. J. B. Booth returned to Oxford yesterday.

THE STATE UNIVERSITY.

INTEREST IN ATHLETIC SPORTS—A WESTERN TRIP.

(Special to Virginian-Pilot.)

Chapel Hill, N. C., Oct. 30.—The enthusiasm and spirit of the students of the University presented itself on the Athletic field to-day to see the game of football between the University of North Carolina and Virginia Polytechnic Institute, which resulted in a tie, both teams confident of having done all that was in their power to do. The game was called at 3:45 p. m., and V. P. I. won the toss, choosing to defend the Eastern goal. V. P. I. kicks the ball to Carolina's 5-yard line. Then, by playing snappy ball, the "Tar Heels" advance the ball to V. P. I.'s 30-yard line, and ball goes over. The Virginia not making the required 5 yards in three rushes are forced to kick to Carolina, who return the kick to the Virginia boys. Then, for ten minutes, both teams failing to make the necessary gains, resort to kicking the ball—McCormick, for V. P. I., and Graves, for U. N. C., making some beautiful punts, each time being counterbalanced by the opponents' punts. First half ended with ball on Carolina's 35-yard line. Score, 0-0.

Second half—Carolina kicks off to V. P. I.'s 15-yard line, and not making the distance are forced to kick, and Graves makes a "fair catch" and is tackled, giving Carolina a "place kick" from 35-yard line failing to kick goal, and V. P. I.'s ball. Not gaining the necessary distance are forced to kick to Carolina, who makes several rushes and "time is up" with ball on V. P. I.'s 20-yard line. Score, 0-0.

Features of the game—Heavy bucking of the lines, the pretty punting; the plays of McCormick and Huffard for V. P. I., and of Bennett and Osborne for U. N. C. It was Manager Powell, of V. P. I., who said: "It was the squarrest treatment that we have received on an enemies grid-iron this season." Coach Reynolds, of U. N. C., remarked: "It was the hardest fought battle in many a day on Carolina's grid-iron. Mr. Gill, of Norfolk, was along with the team as a substitute."

A WESTERN TRIP.

The University team leaves Tuesday on a Western trip for a week, playing Vanderbilt University at Nashville, Tenn.; University of Tennessee at Knoxville Tenn., and Sewanee at Atlanta, Ga.

Since the State Fair is over, a great many of the students are making preparations to attend the Piedmont Horse Show, County and Street Fair, Gala Week and Semi-Centennial at Winston-Salem, October 30th to November 3d.

ELIZABETH CITY.

A RUNAWAY—THE FIGHT FOR BUTLER'S SLIPPERS.

(Special to Virginian-Pilot.)

Elizabeth City, N. C., Oct. 30.—Monday evening in the police court Will Rodman and Clinton Riddick, both colored, were fined \$5 and costs each for creating a disturbance.

Messrs. W. T. and Logan Old, who attended the State Fair at Raleigh, N. C., have arrived at home.

Col. R. G. Mitchell left yesterday for Charlottesville, Va., where his son is engaged in the hotel business.

Monday evening a horse belonging to Mr. W. D. Williams became frightened on Main street and ran away, throwing its driver out. He received several bruises. The animal ran into a buggy belonging to Dr. Lunsden, tearing it to pieces and throwing the colored driver out, hurting him pretty severely.

Mr. Peter Spires, who was burned several weeks ago by the explosion of gasoline is able to be on the streets again.

All of the witnesses in the case of the Norfolk and Southern Railroad Company against the Railroad Commission, who were summoned to Edenton, where the case was heard before Judge Shepherd, have returned home.

The fight between the Simmons and Carr factions in our county for the United States Senate, is creating no little excitement. Each faction is making a strong fight for its favorite.

Land of Marc and Mac.

(Raleigh Post.)

Mr. E. W. Pou has received from a university student the following verse from an exchange, which is worth the republication:

My country, white or black,
Sweet land of Mark and Mac,
Of thee I sing;
Land where our fathers died;
Land where the trans abide,
We'll let old freedom slide
When William's king.

My native country, thee,
Sweet land of G. O. P.
And of thy ways,
Let Freedom's banner yell,
Give Philip's shield,
Make freedom seem like—well
I sing they praise.

ROOSEVELT ASSAULTED.

BOYS FIRE VEGETABLES AND DECAYED FRUIT AT HIM.

(By Telegraph to Virginian-Pilot.)

Elmira, N. Y., Oct. 30.—The Roosevelt party made an early start westward to-day. The general conversation of the party was of the riotous times of last night. Governor Roosevelt said that the first attack on the carriage in which he and Senator Fassett was riding came from small boys. "I saw the boys fire the vegetables and decayed fruit," said the Governor, "and a few sticks also were thrown. It was a body of grown men, however, who pushed up against the carriage and pushed lithographs of Stanchfield in my face. Several times it looked as if it was the intention of the crowd to rush us out of the carriage, but a number of men on horseback gathered round and prevented that. I did not see the fracas in which the men were injured."

The Corning Club, which got into a fight in attempting to defend its banner from attack, suffered severely. Six men were quite badly wounded with stones and sticks, and blood flowed quite freely. The crowd finally escorted to the station by the police and put aboard their special train.

"Mrs. Pinkham Saved me from an Operation."

Operations Avoided.

When a physician tells a woman suffering with ovarian or womb trouble that an operation is necessary, it of course frightens her.

The very thought of the operating table and the knife strikes terror to her heart.

And our hospitals are full of women who are there for ovarian and womb operations!

It is quite true that these troubles may reach a stage where an operation is the only resource, but such cases are much rarer than is generally supposed, because a great many women have been cured by Mrs. Pinkham's medicine after the doctors had said the operation must be performed.

Lydia E. Pinkham's Vegetable Compound has been very successful in curing ovarian troubles. In fact, up to the point where the knife must be used to secure instant relief, this medicine is certain to help.

Ovarian troubles are easily developed from womb troubles, and womb troubles are so very common that ovaritis is steadily on the increase among women. It is, nevertheless, a most serious trouble, and to recommend wrong treatment for it is a crime for which there cannot be too deep a penalty.

It is, therefore, with full consciousness of the seriousness of the disease and the steady failure of other medicine to cure it, that we present for ovarian and womb trouble Lydia E. Pinkham's Vegetable Compound as the most certain to help of any medicine in the world to-day.

Any person who could read the letters in Mrs. Pinkham's files at her office in Lynn, Mass., would be convinced of the efficiency of Mrs. Pinkham's Compound.

The strongest and most grateful statements possible to make come from women who have escaped the operating table by the use of this medicine. Let any woman suffering from these troubles, or anything which may develop into them, write and get Mrs. Pinkham's advice. If you are beyond the reach of the medicine, you will be frankly told so, but, if not, you will be fully and carefully and kindly advised.

The most serious of all the diseases of women, as well as the minor ills, are promptly overcome by

Lydia E. Pinkham's Vegetable Compound.

\$5000 REWARD

Owing to the fact that some skeptical people have from time to time questioned the genuineness of the testimonials we are constantly publishing, we have deposited with the National City Bank, of Lynn, Mass., \$5,000, which will be paid to any person who can show that the above testimonials are not genuine, or were published before obtaining the writers' special permission.—LYDIA E. PINKHAM MEDICINE CO., LYNN, MASS.

Earnest Words of Gratitude.

"DEAR MRS. PINKHAM:—After my child was born, blood poison set in, which left me with granulated inflammation of the womb and congested ovaries. I had suffered from suppressed and painful menstruation from a girl. The doctors told me the ovaries would have to be removed. I took treatment two years to escape an operation, but still remained in miserable health in both body and mind, expecting to part with my reason with each coming month. After using one bottle of the Compound, I became entirely rid of the trouble in my head. I continued to use your remedies until cured. The last nine months have been passed in perfect good health. This I owe entirely to Lydia E. Pinkham's Vegetable Compound."—MRS. F. M. KNAPP, 1234 Kinnickadee Ave., Milwaukee, Wis.

"DEAR MRS. PINKHAM:—Your Vegetable Compound has completely cured me of the worst form of womb trouble, and made me a strong, healthy, robust woman. Before using Lydia E. Pinkham's Vegetable Compound, I suffered with severe pains in back and side, headache and nervousness. Menstrual troubles sometimes occur every two weeks, and once I had a severe hemorrhage which lasted a month. I was confined to my bed and the attending physicians told me I would have to undergo an operation as soon as I was strong enough. I read in one of your little books several testimonials from ladies who were cured by your Compound after having been told by their doctors that an operation was necessary, and I made up my mind then and there to commence taking your Compound. I did so and it has completely restored me to good health. I have gained twenty-two pounds since taking it and my flesh is as solid as a rock. My friends remark about the change in me. I am a living advertisement of what Lydia E. Pinkham's Vegetable Compound can do, and have influenced many of my friends to try it, which has proved very gratifying in its results. I thank you for restoring me to health."—ANNE HARTLEY, 221 West Congress St., Chicago, Ill.

"DEAR MRS. PINKHAM:—I feel it my duty to publish the wonderful help Lydia E. Pinkham's Vegetable Compound has been to me. I was like a crazy person—could not eat or sleep; there was no rest for me day or night. Physicians examined me and said an operation was necessary. Before undergoing it, however, I determined to try Lydia E. Pinkham's Compound. I am so glad I did, for it cured me. I am a well woman now and can do any kind of work. I want this published throughout the land, so that all my suffering sisters may read, and if in any way afflicted with female troubles, they may be induced by my sincere statement to try this wonderful Vegetable Compound and be cured."—MRS. MARGARET BAMFORD, Centennial Ave., Crescent Beach, Revere, Mass.

"DEAR MRS. PINKHAM:—I wish to send you my testimonial stating the grand effect Lydia E. Pinkham's Vegetable Compound has had on my health. I was suffering to such an extent from ovarian trouble that my physician thought an operation would be necessary. Your medicine having been recommended to me, I decided to try it. After using several bottles I found that I was cured. My system was toned up and I suffered no more with my ovaries. Your medicine is the greatest boon on earth to suffering women."—MRS. ANNE ASTON, Box 137, Troy, Mo.
